Boating magazine's Morgen Burchell reviews the Yamaha JetBlaster, the latest edition to the Yamaha Freestyle Series.					
New to the Yamaha WaveRunner line in 2022 is the fun and exciting JetBlaster that delivers a playful, freestyle riding experience like no other sitdown watercraft before.					
The three elements that make the JetBlaster so much fun to ride are its raised, lightweight performance handlebars, foot chocks placed where the footwells meet the stern, and a custom-tuned electric trim that allows the rider to tailor the riding characteristics of the watercraft.	http://www.instagram.com/p/CUFXz3zj -8	Living For Now	BTV-0267 Anthemic Indie	SR0000930963	Yamaha
